

MIDORI®

70's Night

Think flower power meets disco glitter madness.

Decorations

Happy charms, stickers. Decorate in 70's party colours such as orange, yellow, brown and definitely the ever-addictive split-pea-green. And, what is a 70's theme party without a disco ball suspended from the ceiling!

Clothing and accessory ideas for your 70's costume

T-shirts paired with anything bell-bottomed, shaggy carpets, denim and denim, cowboy boots and flower-covered skirts.

Wire-rimmed glasses a la John Lennon, snug jeans, bright green Converse.

Orange and brown track jackets, pastel-inspired trainers.

Bowling shirts and white, cotton snug-fitting pants – think John Travolta.

Teensy mini-skirts and platform shoes and short shorts with white knee-highs.

Low-lying pigtails or the bizarre side pony tail.
